CAMP GEAR (OR "CAMP SWAG")

CLC works in partnership with [Everything Camper](#) to outfit campers in CLC-branded clothing at camp (and to wear throughout the year). The items listed above as "CLC UNIFORM" can be found there. Families will receive more detailed instructions for purchasing Everything Camper items, and to schedule virtual appointments for sizing, selection, and ask questions. In the meantime, general questions about Camp Gear can be directed to [Ann](#).

- Chests of Drawers or Under-Bed Storage Bins
- Anything that will make a camper or parent upset if it doesn't make it home. ☺

IF IT'S COMING TO CAMP, LABEL IT!

There is NO ITEM on this list that is fully protected against being misplaced. Camp is a big place and many campers will have similar things. Please take the time to make sure that everything coming to camp is labeled CLEARLY with a camper's name (last name and first initial, if possible). CLC will share labeling options prior to the summer, but a permanent/laundry-proof marker works well.

2022 Packing Pointers

Please pay special attention to the following items on this year's packing list. We have made a handful of adjustments to the list for 2022. Even if you had a child at camp in the previous summers, we ask that you review the updated list and follow the guidance provided.

1. In 2022, we are asking all campers to have a total of 4 uniform (CLC logo) t-shirts. This should include 2 White Traditional Tees AND 2 Hunter Green Traditional Tees.
2. All campers are required to have 1 CLC Sweatshirt.
3. All campers are required to have 1 Pair White Shorts and 1 Pair Hunter Green Shorts. They can be plain OR have the CLC logo.
4. We require all campers to bring a mesh sock/delicates bag which will be used to wash your child's socks and/or other delicate items.
5. All campers must bring an "end of the bed" shoe bag organizer with their name and Velcro straps so that it can attach to the bed.
6. If your child is bringing hockey equipment or roller blades, you must provide them with a roller blade or bike helmet and a small separate bag in which the equipment will be stored at our hockey rink. Please make sure the bag is clearly marked with your child's name.
7. All campers must bring a medium size sport duffel or backpack to be used for their trips.
8. All campers must bring a sleeping bag.
9. Only one-piece swimsuits are permitted. No bikinis or tankinis.

What Not to Bring

While many of us use electronic devices such as cell phones, computers, etc. in our daily lives, we feel they are not appropriate or needed in "camp life". The beauty of camp is that it is not home, and we are not allowing these items because of our goal of fostering camper interaction and development. Please do not send Gameboys/PSP's, video iPods, iPod Touches, video cameras or cell phones to camp.

Additionally, the following items are not permitted at Chestnut Lake: folding chairs, inflatable furniture, bedside mats, curling irons or straighteners, cardboard chests, under bed storage boxes, egg crates, and shoes (or sneakers) with high heels or wedges. We have created a community based on the idea that there is "one standard for everyone" and we ask for your cooperation in making sure that these items are not sent to camp.

Music Devices

We recognize that many children like to listen to music during rest hour and before they go to sleep at night. Therefore, we will allow campers to bring their iPods (except for iPod touch or any other device with wireless capabilities or video). Alternatives to iPods like this are devices such as the [Campfire](#) and [Mighty](#). Please be aware that Chestnut Lake will not be responsible for lost or damaged iPods and/or other devices.
